

DELIVERY

Easy Fit Garage Doors Ltd deliver to all areas of the UK on our devoted transport to make sure you receive the door in pristine condition.

The charge for delivery is included in the price you see on the screen, with the exception of the Highlands and Islands of Scotland and any other offshore destinations, which can be separately arranged.

Delivery Details

We will contact you 24 hours before the planned delivery day. The driver will require assistance to unload your door, it is your responsibility to do this.

If the driver is unable to deliver the door because you are not there on the planned date that an additional charge will be made to re-deliver.

We would suggest that the installation date is planned after you receive the door to allow for any technical queries you may have to be resolved.
